

CLUB DEVELOPMENT PROGRAMME

NEW EARSWICK INDOOR BOWLS CLUB

"New Earswick Indoor Bowling Club is a very proactive club who embraces change and understands the needs for marketing and having a social media presence..They have worked through the development plan with some ease and established the need for social bowls within their weekly programme, increasing the number of qualified Coach Bowls coaches and regular events at the club." Anna Coulson

THE CLUB SAYS...

"The Club Development plan was a very simple guide for the club to follow, there is always things you want to achieve as a club but sometimes other things get in the way, With the plan we could give individuals responsibilities and meet regularly to ensure the actions were getting completed. Anna was a huge support and great to talk to."

Greg
Club Manager
